Are you:
Orthodox?
an Orthodox Godparent?
an Orthodox Parent?
Curious about the Faith?

Do you want to:
know what these 4 pictures are?
know why these images are Orthodox?
learn more about the Orthodox Faith?
understand why we pray and worship the way we do?

If you answered YES to any of these questions, then you should join us!

Throughout the year we walk through the four books covering what we believe. The series *The Orthodox Faith* by Fr. Thomas Hopko provides basic, comprehensive information on the life and practice of the of the Orthodox Church.
